Your **safety** is important to us!

We can't wait to welcome you back to our schools as soon as we reopen. Because we want your time with us to be as stress free as possible, we have put in place new systems and procedures to ensure all our staff and students feel safe and protected.

Safe Transfers

On arrival please follow the procedures in place at the airports, face coverings must be worn and social distancing rules must be followed. Our drivers will meet you and take you to the school or your accommodation. Students from specific countries may be required to quarantine for 14 days on arrival to the UK. We will advise you if this applies to you.

Clean Schools

The schools will be deep cleaned and daily cleaning schedules have been put in place. There will be daily temperature checks for staff and students. Face masks, hand sanitiser and latex gloves will be available throughout the school.

Learn English Safely

Our class sizes have been reduced to ensure social distancing can be implemented. We will continue to run outdoor activities and lessons but these will be restricted to the local area to avoid long periods of travel.

Single Room Accommodation

Only one student per homestay or room within the residence are permitted, unless travelling with a member of your household. All homestays and residences will maintain a high degree of cleanliness. All homestays will complete a form to declare they are fit and well to host.

Care and Support

Our staff are here to support you throughout your stay. All our schools and residences have been carefully assessed and systems put in place to ensure your stay is safe and relaxed, so you can learn English without worrying about anything else.

Insurance cover for COVID-19

LAL Language Centres strongly urges all students to carefully check their insurance policies to fully understand the cover and the potential for incurred expenses in the event of cancellations. LAL's insurance provider is guard.me international insurance. The guard.me "Multi-risk plus Cancellation" insurance will include medical cover for COVID-19 but not trip cancellation costs for COVID-19 as it is no longer an unexpected event. This means that costs incurred to extend accommodation due to isolating or quarantine will also not be covered by insurance and will be the responsibility of the student.

LAL's insurance provider is guard.me international insurance. The guard.me "Multi-risk plus Cancellation" insurance will include medical cover for COVID-19 but not trip cancellation costs for COVID-19 as it is no longer an unexpected event. This means that costs incurred to extend accommodation due to isolating or quarantine will also not be covered by insurance and will be the responsibility of the student.

Key Information

All courses are continuous enrolment. Students aged under 18 booked on "adult" courses are subject to additional terms and conditions:

Covid-19

PLEASE NOTE: Due to preventative measures and operating and government restrictions surrounding COVID-19, it may be necessary for LAL Language Centres to make changes to its usual planned events and activities, including cancellation.

Please also note that if you or a fellow student/contact displays signs of COVID-19, it may be necessary under government law for all contacts to self-isolate/quarantine for a period of 14 days and not attend school. In such cases, online lessons will be offered. If the period of self-isolation/quarantine requires an extension of accommodation, all incurred expenditure including meals and food shopping shall be the responsibility of the student, not LAL Language Centres or the homestay or hotel provider.

LAL Language Centres strongly urges all students to carefully check their insurance policies to fully understand the cover and the potential for incurred expenses in the event of cancellations.

LAL's insurance provider is guard.me international insurance. The guard.me "Multi-risk plus Cancellation" insurance will include medical cover for COVID-19 but not trip cancellation costs for COVID-19 as it is no longer an unexpected event. This means that costs incurred to extend accommodation due to isolating or quarantine will also not be covered by insurance and will be the responsibility of the student.

 - Students on 3 week courses will usually have 2 weeks of lessons in the morning, although this is not guaranteed

Excursions (UK Summer Schools)

- When numbers are around 80 or more, excursions may be split (e.g. first week London for half the school and half to Oxford. Second week students alternate)
- If excursions are split, students on courses of two weeks or more will attend all the publicised destinations during their stay
- Students on one week courses should let LAL know at the time of booking which destination they want to attend where there is a choice

Unaccompanied Minor

- Airlines require students to be booked as an unaccompanied minor where they are under a certain age. This varies from airline to airline so please check with the airline and make sure payment is made for the return trip

- LAL's fee is in addition to any fee that is paid to the airline
- If multiple students (maximum of six) travel together on the same flight, we will make only one charge
- LAL provides the contact details of the actual person meeting the student one week in advance. If contact details are needed earlier, LAL cannot guarantee that the person nominated will be the person collecting the student so the information may change nearer the time as above
