## MID TERM SURVEY

**NZLC values student feedback and always aims to maximise your New Zealand experience**

It is really important for us to know if our students are happy and well-supported. We conduct online feedback surveys every 6 weeks so that we can address any student concerns or questions, and understand how best to support you during your studies.

## TEACHING PHILOSOPHY

The connection between what we do in class and what happens outside of the class need to be seamless. Students do not practise life in the classroom; the classroom is life.

*"Education is not preparation for life; it is life itself"*  
- John Dewey

## FEEDBACK & GOAL SETTING

**Setting goals is the first step in turning your dreams into reality!**

We help you maximise your study time at NZLC by helping you identify your strengths and weaknesses.

Students in General English and IELTS courses make an individual study plan with the help of their teacher every 6 weeks. The study plan will help you identify what you need to improve, and give you actionable and specific ways to improve it.

## PROGRESS REPORT DIAGRAM

All General English students receive a spider diagram in week 11 showing their progress against the CEFR (Common European Framework) levels.
